EDITORIAL

This month's stellar line up of gorgeous totty is undoubtedly making the mercury rise to punishing temperatures, as Club raise the stakes with the stunning Alli Rae, Abril and Jasmine Jazz. Not to mention blonde bombshell Lucy the new kid on the block, who just "can't stop thinking about all you fella's out there!" With these nibbles on offer, we wonder if there room for the brilliant Bexie Williams and this month's cover sensation Jada Cameo, who's whip-smart attitude has seen her getting into all sorts of nefarious habits recently. So don't stay in the shade this summer, as these ladies are just waiting to turn their sun on you!

Dear Club,

I've read plenty of stories about boys getting crushes on their girlfriends' mothers, but how many do you hear about girls getting off with their boyfriend's mum?

I'd been seeing Richard for two months before I realised his mother had more interest in me than he did. She is a teacher, Lynne, and in her early 40s. Whenever I went round to see Rich I always ended up chatting to her in the kitchen while he watched TV. So one day I just popped round even when I knew Richard wasn't there.

Our conversation got round to sex and Lynne said she thought I was so lucky having a sex life when her husband hardly bothered to touch her. "I'm so desperate I'm thinking of turning to other women!" she half-joked.

Well, I've been around gay girls before and I know you don't sit with another woman and make a joke like that without wanting something to happen, so I did what Lynne obviously wanted me to do, and kissed her. She wasn't that shocked, just relieved, I think.

We ended up in her bed fingering each other and experimenting with going down on each other and the truth is I really enjoyed it. Of course, I felt a bit bad bedding anyone while I was still seeing Richard (never mind that it was his mum!) but if something feels good I generally do it at least once!

Since that afternoon there have been more meetings, nothing too sordid and not even the distant buzz of a vibrator yet, just fingers and

tongues and pussies and nipples. Richard has no idea what is happening behind his back, and neither does his dad. In the meantime we will continue to make love in our own special way and thank our lucky stars we're both open-minded enough to take our pleasure where we find it – in my case, between the legs of my possible mother-in-law!
May, Leeds

Dear Club,

I recently read about the old schoolboy trick of 'Goosing'. Now I don't know whether it is true, but apparently farmers used to jump aboard their larger farmyard feathered friends and fuck them. Once on, they would fuck the bird while they stuck their fingers down the poor thing's throat, making it gag and thereby making the sensations at the other end more

“My bum muscles clenched tightly round my boyfriend's cock...”

pleasurable. Schoolboys picked up the idea and used it on willing partners while fucking them from behind. Well, this got me to thinking and, being a bit kinky myself, asked my boyfriend if he'd be up for it.

Of course, he was, and it didn't take him long to mount me from behind, getting my pussy all juicy, before reaching round and sticking two fingers down my throat. Needless to say, all that happened was that I felt like being sick and my boyfriend noticed no great difference in the tightness of my pussy.

Then it struck me! What I'd read about was a schoolboy trick carried out between two boys! To be properly goosed he was going to have to get out of my pussy and into my bum! So he quickly changed holes and began to fuck me. Once again he reached round and stuck two pussy juice-coated fingers down my throat. And once again I gagged – but this time there was a very obvious difference! As soon as I gagged, my bum muscles clenched tightly round my boyfriend's cock and he shot his load immediately up my back hole.

Try giving it a go. It's not the most romantic way of having sex but it keeps us happy!

Lisa, Coventry

Dear Club,

Where I work, some of the lads have a canteen where I occasionally have to go in to collect stuff. One day I saw a copy of Club left on a table. I was amazed at the sexy girls revealing shaven pussies and swollen clits, and your readers' stories made my sex life seem almost virginal!

Feeling the urge, I soon had my hand up my skirt rubbing my clit for all I was worth, my fingers covered in come as I slipped them in and out of my pussy.

Suddenly there was a voice behind me: "Enjoying yourself?" I spun round to see one of the lads and I went bright red.

He walked over and put his cock in my hand, firm and ready. I pushed him down onto a chair and straddled him. Lowering myself onto his cock felt fantastic. His hands held my ass, his fingers held my lips apart and I made sure he could get his mouth round my nipples too. I rode him hard, lifting nearly all the way off then plunging down his slippery cock till he came up me.

Now I make sure I get your magazine every month. I feel I've lost all inhibitions about sex and want to try everything. I have had a threesome with the same bloke and his mate too. Now I want to find a girl who is up for it as well!

Lizzie, Chester

years!

Anyway, I wasn't too phased by the sight of another girl's pussy a few feet from my face, just really turned-on. I looked up at the girl and she smiled at me and blushed. I asked her if I knew her. She told me she'd been in the year below me at school and we arranged to meet for a drink after I finished work.

I could hardly concentrate all day, thinking about what a push-over this new piece of obviously virginal pussy was going to be. I was convinced this was her first time or she wouldn't have done anything as bizarre as walk into a shoe shop with no panties on looking for a pull.

We hooked up at a local bar (straight) and she said she'd be up for having the rest of the evening at home as her parents were out. She drove me back in her car and we made straight for her bedroom.

The bed was covered in cuddly toys and she had a big poster of Madonna on the wall. We chatted for a while longer but I had to break the tension by saying I'd like to see her pussy again as I didn't get too close a look at work. My dirty talk did the trick and she knocked off the lights and lay back on the bed, then I lay on top of her and we kissed. While I fingered her pussy with one hand and sucked on her tits,

I could sense she was rummaging for something under the pile of cuddly toys. Eventually she found it. "Let me put this on," she said and she quickly struggled into a huge strap-on harness and cock! "You're no virgin, are you love?" I said.

"Hardly, darling. I've been in the Navy for three years. I've fucked every kind of girl imaginable – except one as fit as you! When I saw you in that shoe shop I knew I had to have you!"

And that's exactly what she did. Up the pussy, in the bum, in the mouth and up the pussy again. She did everything that two girls can do together and even showed me her porn collection! In fact, the only thing that stopped her having me all night was her parents coming home. It was pretty weird going down to meet them and making polite conversation knowing that half an hour earlier their daughter had been skewering me on the end of her Latex cock!

Dear Club,
I work in a highstreet shoe shop and see some awful, strange and wonderful things during a day's work. The best thing I've seen was when a girl came in and blatantly opened her legs right in front of my face as I was helping her with a pair of shoes. Now that might not sound too mad, but if I told you that my name is Karen and I'm a 22-year-old girl you might begin to see what I mean!

I don't deny that I look a bit lezzie. I'm not the crew-cut type but when I go to a gay bar in town I don't look out of place. I'm not always into girls but I do go through phases when I feel like eating pussy and other times when I feel like sucking cock. So don't worry, fellas, I'm no bull-dyke – I've had plenty of spunk matting up my hair over the

Dear Total Recall,
Over the years I've read many of the Paul Raymond publications, switching between them when I fancy a change, and I particularly mourned the closure of Mens World. And it's on that note

that I was hoping you might consider running Silvia Saint, the toned blonde I've had a crush on ever since I saw her in Mens World, oiled up and wearing a blue bandanna. I remember her having the most fantastic set of tits with large nipples that you could imagine going to

town on. I can't remember the issue she appeared in, but if you could find her, you would make this big man and my little man very happy indeed. Also Club Vol.47, No.6 was an absolute blinder, keep it up! *Olly, Gateshead.*

There was a collective sigh at the sight of Abril's petite figure as she practically skipped into view with a broad and beaming smile, her pink boyfriend shirt slightly open to reveal a pink and cream lingerie set. But, do not make the mistake in thinking Abril is of an innocent nature, on the contrary, her looks only enhance her naughty and playful nature

"I can be a bit of a prick tease sometimes; I use it as a test to see what a guy is made off. If he gets frustrated and starts getting pushy, then I just know the guy is going to be no fun."

Abril knows what she wants...

Phantom Thread

Phantom Thread is a 2017 British romantic drama film directed by Paul Thomas Anderson. It stars Daniel Kaluuya and Vicky Krieps. The film is set in London during the 1930s and follows the story of a man who becomes a fashion designer and a woman who becomes his muse. The film is a beautiful and haunting story of love and obsession.

PR/01 Speaker

www.conranshop.co.uk

I've reviewed some fancy kit in my time, but this latest speaker born from the collaboration between Native Union and La Boite Concept and it just oozes class. From the veneered wooden casing to the brass finishes, it flourishes as a timeless and elegant piece of sound engineering genius. Features include Wi-Fi and Bluetooth connectivity, a hidden drawer with charging points and space to integrate a DROP wireless charger, so it's future proof. There are two speakers inside a multi-amplified pneumatic system, which deliver jaw-dropping acoustics, with well-balanced mid-tone levels and a soothing bass. Eye-catching is an understatement when it comes to this piece, but it comes at a price.

£99.95

Echo Spot

www.amazon.com

Let us welcome the latest sprog of the Amazon Echo family, and I have to say it's come out as one of the more attractive of the bunch. The Echo Spot has a 2.5-inch LCD touchscreen with a resolution of 480x410 pixels, which is better viewed close up but makes video playback uncomfortable. However, the video call feature is surprisingly enjoyable. It has four microphones for Alexa to listen with, and the speaker is of good quality, but nothing to write home about. It's really been designed for a bedroom, with great clock faces, news scroll and notifications. There's a bluetooth and 3.5mm output for connectivity. One of the best products to start with if you're looking for a home assistant that doesn't cost the earth.

Nokia Sleep

www.health.nokia.com

Nokia has hopped on board with various apps and features for the sleepers to use, or maybe just exploit an untapped and growing market. Nokia has come up with a sleep tracking app that uses a combination of sensors to track your sleep patterns, breaking down your sleep into periods of light, deep and REM sleep. The app also provides a sleep score and a sleep diary to help you track your sleep patterns over time. The app is available for free on the App Store and Google Play.

Well, well, well, look who Club have managed to get hold of from across a couple of continents; International isn't just a redundant part of our title I'll have you know. Here is the perfect example in Bexie Williams who now spends her life in peaceful harmony in Bali.

How are you enjoying life over there?
"I hit the beach anytime I like, it's always warm, and the Balinese culture is amazing!"
It sounds like you've got it pretty peachy from where we're sitting, please do spare a thought from time to time for us under the grey skies of Blighty.

Hold onto your hats gentlemen; you may need them to cover up the tent pole effect Alli Rae is guaranteed to have on you, as this smoking blonde hits us hard in red. The all-natural 22-year-old is something of a hot ticket in the movie industry, but 2018 has been a quiet year so far for Alli.

"I'm being a bit more picky about what I want to do at the moment, rather than getting on board with anything thrown at me."

Alli notices our smirk.

Don't be fooled by those big blue eyes, Alli's as naughty as ever!

SCRUFF JUSTICE!

Please be upstanding

Ella, The Sex Addict

Marc Dorcel

Starring: Dorian Del Isla, Cara Saint Germain, Lucia Love, Ella Hughes, Emilio Ardana, Freddy Fiasas, and Erk Everhard.

Synopsis: "Ella is a true sex maniac.

Thanks to her

position as an accountant in one of the big companies in London, she manages to show herself as a strict, rigid and flawless woman. Between her charts and sales figures, her private and business lives follow a very strict pattern. But two nights per week, her sexual impulses take over and reveals a whole different character. Not being able to restrain her desires, Ella turns into a huntress..."

Courtesy of Marc Dorcel

Verdict: In true Dorcel fashion Ella, The

Sex Addict, feels luxurious to the eye and pays close attention to detail as Ella fills her lusty needs. We start off in a bar, where the bartender is about to get a big surprise. Ella sneaks back behind the scenes and quickly gets started on the engorged meat in front of her, before getting some attention of her own. It looks like Lucia Love, and Cara St Germain can't keep their legs together either, as Emilio Ardana tucks

his cock into a pussy feast as Ella cops an eyeful of Lucia's arse being opened over the poker table. As the film progresses we can see one young

office hopeful waiting in the wings should Ella cast her in his direction, but it looks like three studs are taking care of her with torso spunking she'll never forget. Great close-ups and cum shots.

The Best of the Beast

Evil Angel

Starring: Ally Breelsen, Bailey Blue, Billie Star, Blanche Bradbury, Valentina Nappi and Nacho Vidal.

Synopsis: "He's known

as the Spanish Madman, and "Nacho Vidal: The Best Of The Beast" shows why. The macho, massively hung stud illustrates his savage sexual style in five vigorous, recent hardcore scenes with sexually aggressive beauties that can keep up with him. Carrying a tiny camera, Nacho captures Italian stunner Valentina Nappi deep-throating and fucking his dick in the back row of a movie theatre! At his apartment, he fingers her to a gushing female ejaculation, and they lick her squirt from the floor! Giving Nacho a ride to his broken down car, bodacious Billie Star succumbs to his obnoxious

advances. She takes him home for a serious ass reaming, and he drops his

load in her crack. Statuesque bleach-blonde Blanche Bradbury and Nacho fuck more like real people than porn performers. He cranks her legs back to pound her hot pussy, her big butt cheeks and anus so pretty. Natural-breasted dirty blonde Ally Breelsen, seductive in a plaid skirt, kneels for a worshipful

for more naked rutting. He spansks and fucks her ass as she wails. Nacho discovers that his new blonde girlfriend, Dahlia Sky, is really a hooker wanting cash and cock!"

Verdict: This is some hardcore action from Nacho Vidal, and we can see why he is known as "The Madman", he as an insatiable appetite to plug any hole and rock it to its core. Great turns from Valentina Nappi and Blanche Bradbury, who take it like the stars they are. This is not for the faint-hearted.

This month we were lucky enough to pin Jada Cameo down (not literally, though we have been dreaming about it) as this extra flexible lady gets herself into positions that involuntarily make us recall our chiropractor's telephone number.

We saw recently that someone has had you tattooed on their leg?

"Yes, they have! I must say it's not ever something I dreamt anyone would do; I'm completely flattered."

And what's all this I hear about dominatrix?

Jada laughs, "I did a little bit of Dom work when I was on Babestation, it was great fun and a total turn on!"

This month's cover girl certainly knows how to crack a whip!

We've taken a walk on the wild side this month with the exotic Miss Jazz who's been relaxing in her jungle of a garden. "I love big tree's that look like they belong to the rainforest and I've tried to create my version here."

It certainly feels like the real deal.

"Thank you, I've travelled a lot, and some of my favourite parts of the world are places like Borneo."

I'm sure we'd enjoy a walk in the forest with Jasmine.

BRITNEY SPEARED

When the first Britney Spears video came out many years ago, I'm sure I wasn't alone in being as horny as hell and letting the lovely Britney run through my mind as wank material. My girlfriend Naomi knew of my lust but didn't seem overly concerned. I saw this as a green light to ask her to dress up in the same schoolgirl outfits that Britney wears in the video but she called me a dirty bastard and refused so I resigned myself to continued fantasy.

Then last Christmas we got invited to a piss-up thrown by Naomi's brother, Dave. This gave me an idea, so during a few beers with Dave, I made the innocent suggestion that it be a fancy dress party. Dave is always up for a laugh so he went along with it and spread the word. I told Naomi that night and was very careful not to mention schoolgirls or Britney. She said it sounded like fun and I had to agree.

The night came two weeks later. An hour before we were supposed to leave, Naomi got a call from her mate Clare who needed a lift with some food to the party. Naomi said she'd meet me, (or Ming the Merciless, as I was) at the party, so that she could help Clare out. She'd told me she was going as Wonder Woman, which privately I thought was crap, and that she'd get dressed at Clare's. So I went on my own and arrived before the party had really kicked off.

Forty-five minutes later I was on my third

can of Skol, wondering where the fuck Naomi was, when the doorbell went. Dave answered it and I could hear him laughing. He came through into the main room, where I was stood with four other people, and was followed by Claire dressed as Geri Halliwell when she was Ginger Spice. Then Naomi followed, dressed as Britney Spears – just as I had always wanted. Her little skirt barely covered the tops of her brown thighs; her blouse was tied up to show her flat stomach as her tits strained the top half of it. Above that her hair was in bunches, just like Britney's. I took in the sight and my cock was like a rock in seconds.

Everyone had a good laugh at my surprise and as a few others arrived straight after, the party began to get going. Twenty minutes later, I was dancing with Naomi to a

smoochy tune, my prick hard as she ground her crotch on mine and made sure her boobs were firm against me.

"Do you like my outfit, Jimmy?" she asked. I didn't say anything, I just pressed her so she could feel my knob. "I thought it would make you happy," she said innocently.

"Now, do you want to make me happy?" she grinned up at me. I knew what she meant. Without speaking she led the way to the stairs. We passed a few people on the way and went up into the darkness of a bedroom. Once in, we wasted no time. She had my cock out in seconds and lowered her head to it, moving her tongue around the head, flicking at the pre-come oozing out of my eye and tracing the hard ridges on my shaft. Looking down at her bobbing head as she began to swallow me and seeing her bunches making her look no older than sixteen was amazing and my balls began to throb. I could feel her stiff

nipples stroking my thighs even though she was still wearing her bra. That, combined with her expert mouth and the fact that I was stroking her tanned arse, was just too much for me. I exploded in her mouth like a cannon, filling it with hot spunk and I felt her swallow it.

Afterwards she sat up on the bed and pulled her skirt up a little. In the dim light I could see her smooth legs framed by her knee socks and my aching nuts started to throb again.

“Oh dear,” she giggled, “are you still horny?” She rubbed her fingers on my sticky shaft and dropped them lower to play with my bumhole. I groaned softly and moved to let her in. She lay flat so her skirt rode up to the edge of her knickers as she probed my arse with her middle finger. With her other hand, she rubbed at her crotch, then pulled her wet gusset aside and rubbed at her clit, one finger going in her hole and poking in just as she was doing with my ring.

Right then, a very soft noise made me look up. Claire was standing in the doorway, framed by the light from the hall. She made a ‘Shhh’ gesture with her hand and then to my complete amazement, proceeded to pull her own panties aside and started to finger herself as she stood in front of me in her Union Jack dress. Her head dropped down as she worked at her cunt with her knees bent.

I watched her work two, then three fingers in and then in the faint light, I could see trails of her juices run down her thighs. I tore my eyes back to my girlfriend to see her pushing all four of her fingers into her snatch, pushing and fingering. Her other middle finger tore into my bum and I decided to go just a bit further. I pushed her over onto her front and pulled her arse up. Then with one damp finger I probed at her bumhole as she had with mine until it popped in. She moaned something and I took that as the green light. I held my cock firm and pushed at her brown hole. Within seconds I was nuts deep in her arse, feeling its tightness and relishing the feeling of her anus clamped around my shaft. It took only a few minutes of pushing and groaning, and knowing her best mate was fucking herself dressed as Geri Halliwell not ten feet away, before I shot my load deep in her bum.

I never did tell her I set up the fancy dress

theme of the party and she hasn't done Britney again although a bloke at work has said that he might have a party soon, so I'm just waiting to see what happens.

HOLIDAY COCKTAIL

Meg and I have been married for over two years now, and I couldn't have wished for a better partner. Apart from being my best friend, she is also the horniest woman I have ever had the pleasure of fucking!

Meg is nearly 30 but has an awesome trim body with lovely big tits and fantastic long legs that look great in a nice pair of heels and black nylons. With her long red hair, she turns heads wherever we go, which is fine by me as I get really turned on when other guys take an interest in my wife. It wasn't until last year that we started using the camcorder for my voyeuristic pursuits. We were on holiday and, as Meg was sunbathing topless, I started to film the men ogling her boobs as they passed by on the beach.

Later in our room, we both got very excited playing back the tape and I fucked her as we watched the camera zoom in on the men's

faces as they looked her up and down. She commented on which ones she fancied as I pumped my rigid prick in and out of her sodden pussy, both jealous and aroused as these strangers brazenly lusted after my wife.

Deciding to take our sex games further, we thought about having a go at the dogging craze, but decided it wasn't really for us, so Meg came up with the idea of simply advertising in a contact magazine for a man to fuck her while I filmed the event. It was horny enough just going through the letters and photos from all the men who responded to the advert we placed, which included a photo of Meg in black stockings, heels and a mini skirt on all-fours on our bed, her shaven pussy on display and her tits bulging out of her lacy bra.

Meg selected Gavin as a likely candidate, as his photo showed that he kept himself in shape, had a nice smile and a very thick seven-inch dick.

A week later we met our man at a pub in town, and by the way Meg was flirting with him, I knew we'd made the right choice. Gavin was fine with me filming them and wasted no time in getting better acquainted with my wife, snogging her passionately in the taxi home. My cock was as stiff as a board as I watched them kiss and, as he ran his hand up her stocking clad thigh, I couldn't wait to get out the camera and film them getting down

to some full-on action.

I fixed us all a drink and when I returned to the lounge, Gavin had already unbuttoned Meg's blouse and was gently stroking one of her tits through the black satin bra. Luckily I had the camcorder ready and stood by the door so that I could get both of them in shot. Meg smiled at me and slowly unbuttoned Gavin's jeans before reaching inside and dragging out his semi-stiff prick. I zoomed in

on her hand as it gripped his shaft, wanking him until his cock was as solid as mine. Then I zoomed out just in time to film Meg's long red locks cascade over the guy's crotch as she parted her bright red lips and sucked the shiny tip of his rod into her wet mouth.

She looked straight into the camera as she slurped on the tool, wrapping her tongue around the girth as it penetrated to the back of her throat. I moved around the sofa and filmed Meg as she spread her legs so that Gavin could grope her pussy from behind. He slipped two fingers straight in and turned them inside the tight passage, making Meg squirm. Through the viewfinder I could already see my wife's juices glistening on Gavin's palm as he slowly plunged in and out of her, smearing her pussy juice all around the entrance to her cunt and onto the soft tops of her thighs.

Smiling up at me, Meg let Gavin's fat cock in her mouth slip free and, still with two fingers embedded in her cunt, straddled Gavin's lap. She lowered herself slowly onto his twitching meat as I zoomed in for a close-up of the tip disappearing into the soft folds of her twat. Meg pushed her lovely boobs into his face and my dick throbbed as he noisily chewed on her nipples, slobbering all over her tits as he squashed them together, cramming as much of the smooth flesh into his mouth as he could while she rode his fat prick.

I walked around them, filming all the while,

“She looked straight into the camera as she slurped on the tool...”

as my wife bounced up and down, faster and faster on her lover's dick. I desperately wanted to join in but that hadn't been part of the agreement, so I waited impatiently for Gavin to cum and then go.

I didn't have to wait long though, as, with a yell, his whole body tensed and he emptied his balls deep inside her. My final shot was of Meg lifting herself clear and a trickle of thick white spunk dribbling from her gash and over his softening cock.

After tidying himself up and knocking back a farewell drink, Gavin left and I wasted no time in screening our new porn tape while I screwed Meg from behind as she knelt on all-fours in front of the TV. Meg came all over my cock as I added to the spunk already squeezing inside her gorgeous cunt.

We've watched the film quite a few times now, and are eager to build a collection of similar horny episodes. I love being able to watch my wife fucking other men, and Meg knows it pleases me so we're both happy. Hopefully, I will be seeing a few of your readers in my viewfinder very soon!

Stuart, Aldershot.

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BUM THREESOME

The other night I had one of the most amazing nights of my life. I was out with my missus, Emma, and a group of friends. After a few hours of pub crawling we were all pretty drunk, particularly Emma and one of her friends, Lisa.

I had always had a bit of a thing for Lisa and Emma told me she had always wanted to have sex with another woman, as she was curious about how another woman's pussy would feel and taste. She had always enjoyed sucking her own juices off of her fingers and my cock.

Lisa is tall, slim and very attractive with a great figure and ample, pert tits (C cup). I asked Emma if she fancied a threesome with Lisa, I thought as we were all pretty smashed I might as well give it a go. She said that she was up for it if Lisa was, so I began talking to Lisa. Soon enough the subject of sex came up and Lisa told me how she had always fantasised about taking on two men at the same time.

"That can be arranged," I said. Then I proceeded to ask her whether she would like a man and a woman. She was just about to answer when I cut her off by telling her that I would love to see her and Emma together and that I had always fancied her.

"OK then, let's go," she said, before kissing

me and beginning to walk out.

I didn't have to wait long before the show began. As soon as we were in the taxi the girls began kissing and fondling each other.

Back at my place we were soon naked. The two girls lay on the bed whilst I sat on the side watching. Their tongues were tangling and hands were everywhere. Emma's head was soon in between Lisa's legs and she began lapping at her juicy pussy lips. Her gorgeous round arse was right in front of me and by now my cock was straining and I was tired of watching.

I approached Emma and thrust three fingers straight up her sopping cunt making her moan with pleasure and she licked Lisa harder, getting closer to bringing her off. I lowered my head and began circling Emma's puckered arsehole with my tongue before pushing into

"She ground her arse down onto my face as I forced more of my tongue up her little hole."

it. Emma's moaning became louder and more excited as I tongue-fucked her arsehole until both her and Lisa came to a massive climax together.

I then lay on the bed whilst Emma took my throbbing cock into her mouth and began to suck it. Lisa straddled my face and lowered her glistening clit down onto my tongue. I tasted her sweet juices, lapping at her swollen clit and then working my tongue down to her pink ring. Judging by the gasp when I slipped my tongue up her backside, it had been neglected a lot. She ground her arse down onto my face as I forced more of my tongue up her little hole.

Emma was sucking my cock for all she was worth whilst having a good wank herself.

"Fuck my arse! Fuck my arse! FUCK MY ARSE! I want to feel your dick up my arse now!" Lisa panted and

got up into the doggy position, allowing Emma to slide underneath and begin lapping her clit.

I slowly probed Lisa's tight arsehole with the head of my cock and I felt her sphincter relax and engulf it. It was so tight, like a warm vice gripping me, pulling more and more into her. I slowly began thrusting in and out whilst Emma lapped at her clit and dripping lips. She then began to suck on my spunk-filled bollocks giving her a magnificent view of me shafting her friend's arse. Lisa was screaming the place down as my cock pistoned in and out of her tightest hole. She came with a massive shudder, drenching Emma's face. Her muscles clenched tightly round my shaft pulling me forwards further into her as she collapsed on the bed.

Now it was Emma's turn to be butt-fucked whilst nuzzling into Lisa's gaping arsehole. I fucked her like a dog on heat until my balls exploded, filling her

anus with spunk.

Afterwards I was treated to the sight of Lisa sucking my spunk out of Emma's arse whilst finger-fucking her own pussy. Later, Lisa also got her other fantasy fulfilled, but that's another story. – Devon, Bristol

WEB BONDAGE

I met this guy on the Internet. We really got on well and were flirting outrageously, confessing to our deepest fantasies. One of mine has always been to have a total stranger give me a really good hard fucking. In fact, to do almost exactly what he liked to me. This guy, Del, was keen and I plucked up enough courage to say yes and arranged a date.

I should mention that my boyfriend was also very excited as he loves to watch me being dominated. So on the day of the date I got ready. I made sure that my pussy was shaved and I looked good. All I intended to wear was a leather dog collar

to represent my submissiveness, and a blindfold. I was going to let my boyfriend tie my hands above my head to an iron framed bed.

In the meantime, he set up the spy camera and video so that he could enjoy the action from another room. This satisfied him and also made me feel much safer.

The front door was left on the latch after the agreed phone call and exactly on time I heard someone enter and close the door and walk to my bedroom. I was so excited I was shaking. But my pussy was burning with desire and really juicy.

Del came into the room and told me that I looked fantastic. I heard his clothes fall to the floor and then his hot breath on my face as he ran his tongue over my lips. Then he kissed my nipples and nipped them with his teeth, gently twisting the rings that pierce them. The sensation was electrifying, the dirtiest thing I'd ever done.

His tongue slowly traced a line down my smooth belly to my cunt. I already had my legs apart when he entered the room. I moaned in ecstasy as he licked my swollen lips and clit.

He was an expert and after a few minutes I felt the first orgasm spread out from my pussy. Del stopped then. I lay in total darkness wondering what would happen next. I did not have to wait long. He placed the head of his cock (it couldn't have been anything else) against my wet cunt and moved it in and out just a little, teasing me. I felt my energy return and now I was desperate to have Del's prick all the way inside me. I begged him to fuck me. When he heard that, he pushed the entire length of his manhood into me. It was a really hard, stiff cock and it completely filled me.

Del then proceeded to pump away at me. It was fantastic. I felt like I was some kind of sex toy. I felt really dirty being used by this total stranger.

Just as the second orgasm was about to blow my mind, Del slowed down and said "Now I'm really going to screw you!" He was strong and flipped me over onto my front and told me to assume the doggy position.

I arched my back, knowing from other guys how well this shows my tight arse. Still oblivious as to what was about to happen next, I felt Del's finger slip inside me again and then smear my juices over my bum hole. I relaxed as much as I could as Del pushed his wet cock against me. Suddenly it pushed in, penetrating my arse.

He began to slowly pump me and at the same time one hand went in between my legs and I felt his fingers playing with me there as well. I moaned with pleasure as Del sped up now, squeezing my buttocks as I exploded with waves of an extraordinary orgasm ripping through me. Del then moaned as he shot his load into me, hot

“ But my pussy was burning with desire and really juicy. ”

spunk filling my arse. We collapsed in a heap and lay there for a while until Del untied me. But, as agreed, I remained blindfolded.

When I heard the front door shut I felt my boyfriend walk back in to join me. “That looked fucking great babe,” he said. I took his swollen cock in my mouth and closed my lips round it as he held my hair in his fist. His cock jerked and he cried out as he ejaculated. I finger-fucked myself as I swallowed all of his lovely spunk, milking his every last drop until he was exhausted.

Later we fucked each other again as we watched the video replay, my boyfriend fucking me in the arse again, giving me a second shot of lovely come up my bum.

Lucy
 I have long blonde hair, I am a size 12 with a large bust and long slender legs. I have been married for eight years to a much older man and have a very comfortable lifestyle which is why discretion is important. I am looking for someone to have lots of no strings fun with. I am very fit and very broadminded.

PHOTOS: TWISTYS

Here's a Club favourite who has been off the radar for awhile, the simply stunning Christina Cinn is back and packing a punch this month in a black lacy thong and hold-ups, that has us frothing at the mouth.

So what's been keeping this lady out of the limelight?

"Well, I decided to take a long vacation, which ended up being really, really long! I was having too much of a good time and enjoying myself, and I thought what the hell, you don't have a break that often."

Thankfully Christina has dispensed with her afternoon cocktails for now and is back to fan your flames.

CLUB INTERNATIONAL

What our well-placed moles are telling us this month...

DOWN THE WIRE

Bully Beef!

Many of us are looking for love, and the online world can provide a host of opportunities to meet people. But, it is also a breeding ground for peculiarities and sometimes the unstable, as one gentleman from the millionaires dating site Luxy discovered. After one date with 31-year-old Jacqueline Ades, who thought she'd met "her soul mate", Ades proceeded to send 65,000 text messages, up to 500 a day, containing threatening

and Anti-Semitic sentiments. Ades was finally caught on security cameras taking a bath at her dates Paradise Valley home while he was out of the country. Police found Ades' car at the Valley residence with a large butchers knife on the passenger seat and charged her with criminal trespass.

This bunnies on the boil!

Grassed Up!

Substantial consumption of alcohol has been known to make people do things they would think twice of if sober. I think many of us can relate to having woken up the next morning to a kitchen full of cones, or a road sign causally leaning by the front door, but I doubt many of us have tried to mow the lawn. Especially not somebody else's. 46-year-old, Barry Ridge, was pulled over by police after a report was filed that Ridge had started mowing a resident's lawn without permission. Police noted Ridge's 'glassy-eyed' expression and breathalysed him, resulting in a positive result. Police impounded the ride on mower and arrested Ridge on a charge of OWI.

Bugger the motorbike!

Tight Spot!

It's not just the police that like to use hand cuffs, after Fifty Shades of Grey, some couples have been injecting a little bit of colour into their relations. German Police received a call from a worried neighbour that described a scene of possible domestic violence involving two men abusing a half-naked woman. They rushed to the address where they found the tenant, a teacher of Japanese Shibari, midway through

instructing a class on erotic bondage. The Police reported that on enquiring everybody was in a good mood and that they were even offered the chance to join in, which they politely declined.
